■ **Illuminated entry system**

The lights automatically turn on/off according to engine switch mode, the presence of the electronic key, whether the doors are locked/unlocked, and whether the doors are opened/closed.

■ **To prevent the battery from being discharged**

If the following lights remain on when the engine switch is turned off, the lights will go off automatically after 20 minutes:

- Interior lights
- Door courtesy lights
- Personal lights
- Inside door handle lights
- Seat belt buckle lights
- Footwell lights
- Engine switch light

■ **Customization**

Settings (e.g. The time elapsed before lights turn off) can be changed.
(Customizable features →P. 872)

■ **To prevent battery discharge**

Do not leave the lights on longer than necessary when the engine is not running.
